

JAXUSA PARTNERSHIP 2021 TALENT REPORT

JAXUSA Partnership's **Talent Team** engages stakeholders in our region's talent ecosystem through a three-pronged approach of **talent attraction, development, and connection**. The ecosystem is

a partnership of education, business, and community leaders focused on a shared framework to optimize the workforce, support economic growth, and generate a fulfilling quality of life.

This work facilitates increased cooperation among all stakeholders to align our learning ecosystem, share best practices, and engage in projects that support talent advancement and initiatives of the Elevate Northeast Florida strategy. Ultimately, this Team serves as liaison between all stakeholders to create meaningful connections that deepen the awareness of career pathways and expand relationships between educators and the business community.

Part of this work includes serving as the backbone for the local college access network, **Earn Up**. Currently, the percentage of adults with training certificates is **41 percent, up from 36 percent in 2014**.
