

Scavenger Hunt questions

By the end of these lessons, students should have the ability to:

1. Identify the targeted and support industries that exist in our region.
2. Understand educational programs and their corresponding occupations and wage potential.
3. Understand how to utilize tools to learn more about specific industry jobs in our 7 county region as well as where to search for them.

Directions: Go to EarnUp.org and look under Career Pathways. There, you'll find a library of reports on our region's targeted and support industries. Use these reports to answer the questions below. Questions are divided up based on specific industries in italics above each group of questions. Each question has a point value assigned next to it, as seen in bold.
