

The Future is Fintech

The Jacksonville region is a hub for the rapidly growing fintech industry. Due to this thriving environment for financial services coupled with the demands of technology-driven platforms and services in the modern-day field, Jacksonville is naturally seeing a shift towards fintech operations with nearly 900 corporations, businesses and startups in the region's fintech industry. In the last decade alone, JAX has experienced a 40% job growth in the fintech space which is 3 points above the national average.

Now more than ever, fintech companies are calling the Jacksonville region home. A strong corporate base, a growing talent pool and a thriving business community provides the perfect environment for fintech firms and professionals to innovate and thrive.

Significant investments continue to be made in the already well-established but continually evolving industry in Northeast Florida.

There are many ways to contribute in the fintech space based on your skills and areas of interest. Positions can vary from software development to data analysis. The occupations shown on the chart below represent a cross-section of entry-, mid- and executive-level positions within the industry.

FIS Builds Headquarters in JAX

Gary Norcross, President and CEO of FIS Global said, *“The combination of Jacksonville’s business and family-friendly climate have been key success factors in attracting top talent to our company. It’s this talent that enables us to advance the way the world pays, banks and invests. We are committed to Jacksonville, home of our global headquarters, and are excited to continue deepening our roots in the community.”*

- FIS, a Fortune 500 company, is one of the world’s leading fintech companies.
- FIS acquired Worldpay, an E-Commerce leader in 2019
- FIS will have 1,800 employees in its Jacksonville global headquarters by 2029.
