

MANUFACTURING PREP ACCELERATED PROGRAM (MPAP)

SEATING IS LIMITED. PROGRAM IS FREE TO ELIGIBLE PARTICIPANTS.

The application deadline is Monday, January 5, 2026

MPAP prepares you for the Certified Production Technician 4.0 (CPT) designation with a combination of hands-on exercises and instructor training. Topics covered include:

- Safety
- Quality Practices and Measurement
- Manufacturing Processes and Production
- Maintenance Awareness

Students also earn OSHA 10 and First Aid/CPR/AED credentials. Those who pass the CPT certification exams earn 15 credits (one semester) toward the associate in science degree in Engineering Technology. Additionally, this short-term training program connects participants with local firms and quickly increases their employability for manufacturing production and quality assurance positions

This program is open to U.S. citizens, eligible non-citizens 18 years or older (by program start date), interested in working in manufacturing, and meeting program admission requirements. Eligible participants will be enrolled at no cost through support from Operation Next Florida (opnextjobs.com).

THREE OPTIONS FOR CLASSES THIS SPRING TO CHOOSE FROM (STARTING JANUARY 12, 2026):

Orange Park Campus: Monday and Thursday 2:30 - 5:00 p.m. (in person) and Tuesday 3:00 - 5:00 p.m. online

Orange Park Campus: Monday and Thursday 5:30 - 8:00 p.m. (in person) and Tuesday 5:30 - 7:30 p.m. online

Palatka Campus: Mondays 6:00 - 8:00 p.m. (in person) Tuesday and Thursday 5:00 - 8:00 p.m. online
