

**AMIKIDS****JACKSONVILLE**
YouthBuild Program

BUILD *your* FUTURE.

FREE CAREER TRAINING FOR YOUNG ADULTS AGES 16-24

Looking to earn your GED, gain career skills, and build your own future?

The **AMIkids Jacksonville YouthBuild Program** gives young adults ages 16-24 the opportunity to earn their GED, gain hands-on vocational training, earn industry-recognized credentials, and receive job placement support to prepare for a career.

Why choose AMIkids Jacksonville?

At AMIkids, you'll get more than job training. You'll have the education, hands-on experience, career support, and guidance you need to build your skills and prepare for employment. And did we mention it's all at no cost?

Explore Career Pathways In:

Construction Training

- Earn the nationally recognized NCCER Core Credential
- Gain hands-on residential construction experience

Marine Technician Training

- Learn marine repair, electrical systems, and diagnostics
- Earn a Florida DOE Registered Pre-Apprenticeship

The U.S. Department of Labor funds 75% of the AMIkids Jacksonville YouthBuild Program committing \$1.5 million in federal funds. The remaining 25% (\$375,000) of the project budget is financed by non-governmental sources.
